ZERO TOLERANCE: 4m

SPECIAL SYMBOLS

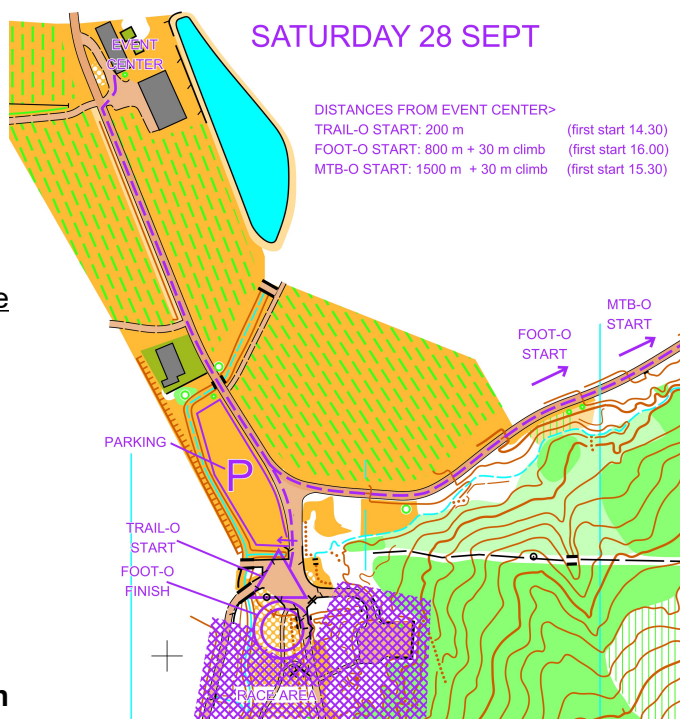

- | | |
|---|--------------------------------|
| ○ | playground - fitness apparatus |
| × | info board - concrete object |
| | picnic tables are not mapped |

TIME CONTROL MAPS

Made with TOM software – available in LOOSE format only

BIB NUMBERS

Used in both competitions. Please wear so that marshall can easily see your number. They are available at the event centre with your club receipt. Remember to give them back after Sunday's competition.

One Man Relay - Saturday

Start: 200 m from Event Center – see previous picture

PreO part:

250 m – no climb - 16 controls – map printed in A5 format on pretex paper

Time limit

ELITE: 30 minutes

PHISICALLY CHALLENGED: 35 minutes

[Like last year we experiment a shorter time limit to make the competition more interesting]

Viewing points are NOT marked for controls with one flag (A)

TempO part:

after PreO - 3 TempO stations, with 5 tasks and 6 flags each

After last station go back through the same route

Punching: in the PreO part paper control-card with manual punching will be used. Please bring a watch and personal punch (at Pre-Start you can borrow one).

PreO control cards are given at the Start. Timing will be made by the finish marshal manually.

ESO(beginners) and DIR classes:

Same course as ELITE. Don't compete for relay, only individual.

TempO - Sunday

Start: 200 m from Event Center - same as Saturday - see previous picture

7 TempO stations, with 5 tasks and 6 flags each

ESO(beginners) and DIR classes:

They compete on the first 4 stations only
