

BULLETIN 2

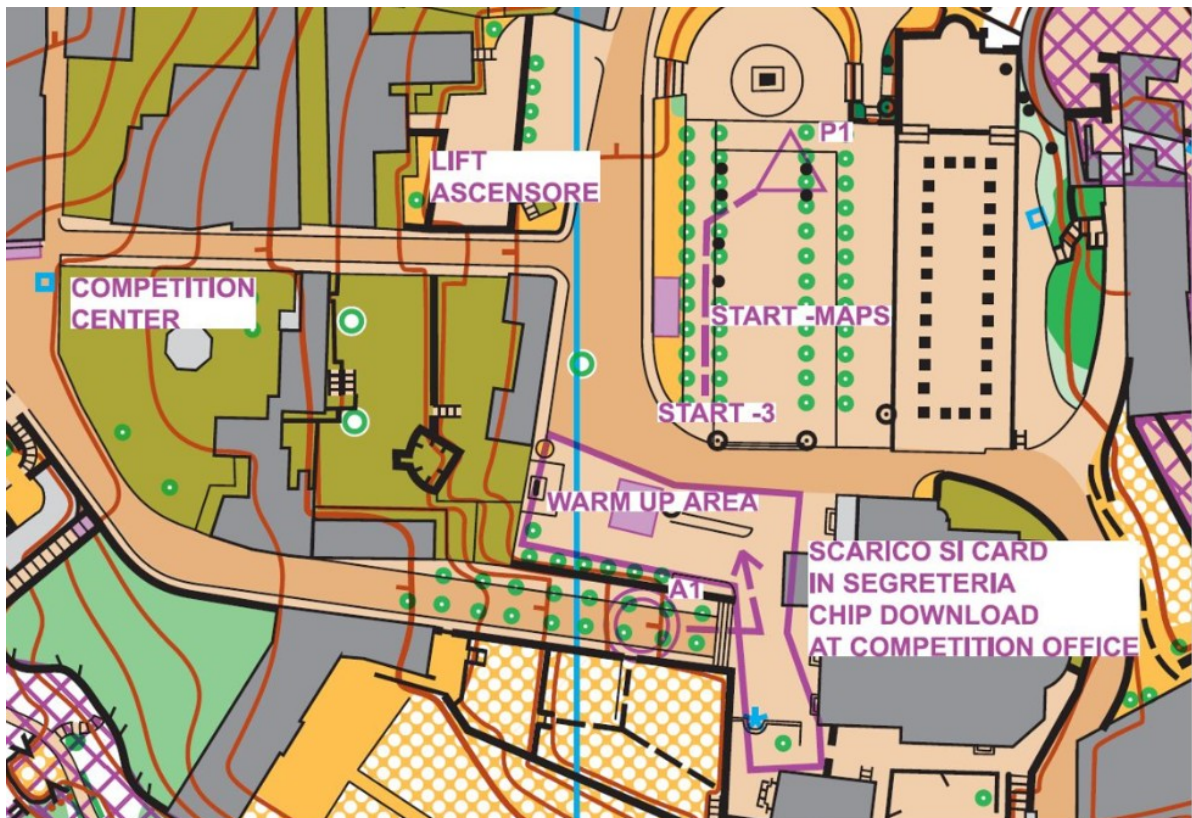

Night Sprint Event

Regional Championship FVG – SSOL 1

Trieste, Saturday 23rd November 2024

Embargo: Please remember rules given in Bulletin 1

- from 12.00 on competition day it is forbidden to all competitors to walk or drive through competition areas shown as forbidden on the map.
- Only competitors living inside the embargoed areas can walk to the Competition Center.
- Parking inside the competition area is forbidden.
There will be controllers on the embargoed competition areas from 12.00 to 17.30.

Categories:

- W65 and W55 have been unified.

Terrain

- In some parts of the competition terrain public lighting is not present or very poor. Use of personal lighting devices is compulsory for all categories.
- In evening hours, traffic is not very heavy. Nevertheless, competitors should pay close attention when crossing main roads and respect traffic rules.
- Categories MW10 and MW12 will cross a main road a few controls after Start: the crossing of that road, for these categories only, will be manned.
- The road surface is quite uneven in some parts of the competition area, please pay attention especially in darker areas.
- In the last part of the courses, all categories, except M10 and W10, will have some controls inside a Public Garden. The garden's closing time has been postponed to 20.15 for competitors only. Controls inside the Public Garden will be removed at 20.15 sharp. The garden gates will then be closed.

Map

- The special symbol "X" has been used for children playgrounds.
